晋江经验

JINJIANG EXPERIENCE

时任福建省长的习近平总书记曾7次到晋江调研，2002年6月系统、完整总结晋江发展实践，提出“六个始终坚持”和“正确处理好五个关系”的“晋江经验”。

General Secretary Xi Jinping, then governor of Fujian Province, has conducted surveys and researches in Jinjiang for 7 times, and in June 2002 summarized Jinjiang's development practice systematically and completely, and proposed "Jinjiang Experience", which consists of "always adhere to six principles" and "deal well with five relationships".

In 2018, on the occasion of the 40th anniversary of China's Reform and Opening-up, Jinjiang, along with Shenzhen Guangdong, Pudong Shanghai and others, was taken by Chinese Central Propaganda Department as an important chapter in the large-scale theme propaganda of "Expanding the East Force and Striving Toward the New Era to Celebrate the 40th Anniversary of Reform and Opening-up", and "Jinjiang Experience" was reported comprehensively by national mainstream media.

2018年，在改革开放40年之际，中宣部把晋江市与广东深圳、上海浦东等作为“壮阔东方潮 奋进新时代——庆祝改革开放40年”大型主题宣传的重要篇章，组织中央主流媒体对“晋江经验”进行全方位多角度的报道。

2019年3月，习近平总书记参加十三届全国人大二次会议福建代表团审议时指出，“晋江经验”现在仍然有指导意义。

In March 2019, General Secretary Xi Jinping pointed out that "Jinjiang Experience" now still has instructive significance when he joined deliberation with Fujian deputies during the second session of the 13th NPC.
